

LDP Productivity and Reproducibility Project Manuscript

Madi Philibert

2025-09-11

Introduction

This project, for the Living Data Project’s 2025 course on Productivity and Reproducibility, uses the data from the “palmerpenguins” (1) dataset available in R.

Figures

This is a sample figure made using the “palmerpenguins” data to practice inserting figures into a manuscript.

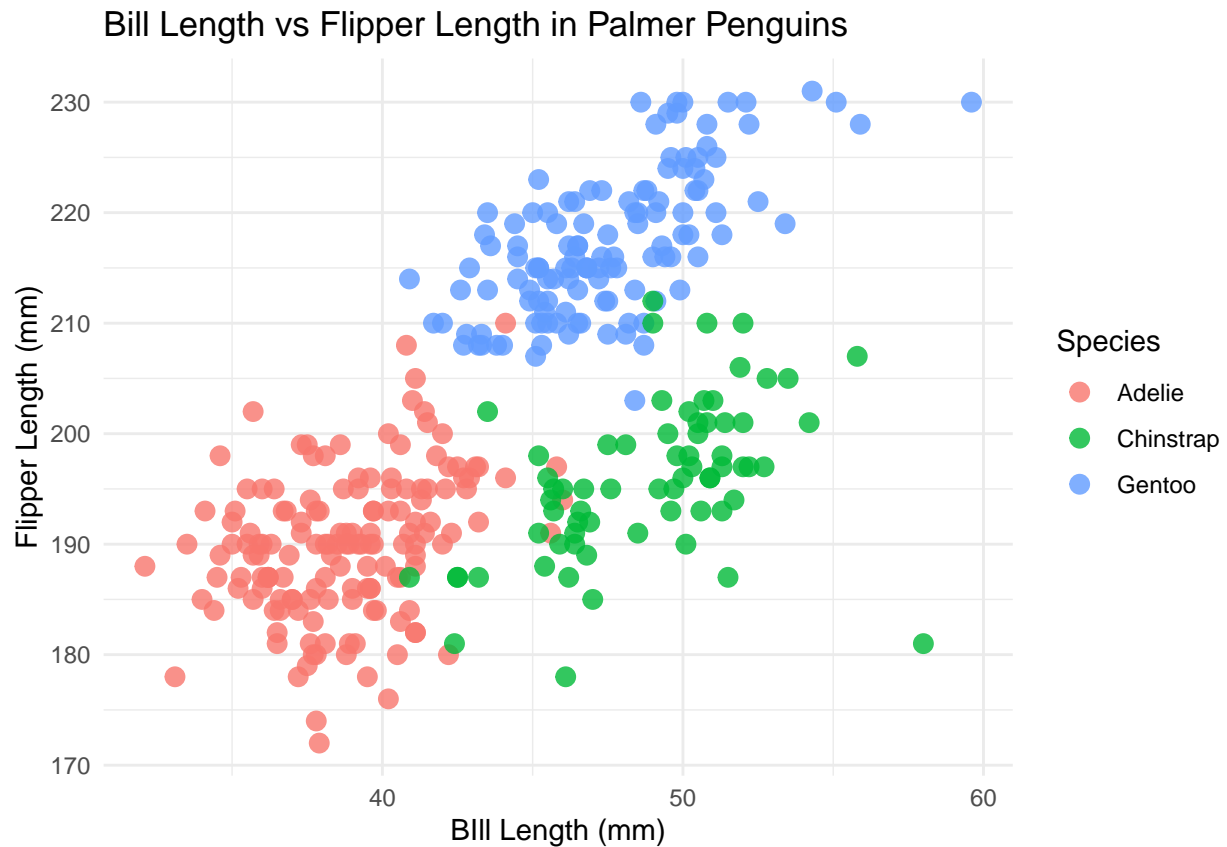

Figure 1. Bill length (mm) vs. flipper length (mm) of Palmer penguins.
